Mrs. Berilia Mohr, 123 Gilbert Street,

Iowa City, writes: "I was very nervous and wenk, had frontal headache and catarrh of the stemach, bowels and intestines (systemic catarrh). I had female weakness very bad. I cannot express my thanks for the wonderful benefit obtained through Dr. Hartman's medicine, Feruns. I could not work, my limbs trembled so. I am restored and can do my own work. I am certain that whoever tries Peruna will be satisfied with it,"-Mrs. Bertha Mohr.

Mrs. A. E. Stouffer, Sabetha, Kansas, writes in a recent letter to Dr. Hartman "Peruna is the best medicine for catarrhof any organ, I was troubled with headache, palpitation of the heart, pain in the side, and suffered very much every month. If I did any hard work I would have cramps. I was treated for inflammation of the right overy, but I was not cured. I also had catarrh of the head, and offensive breath and had to spit a great deal. After I had taken about half a bottle of Peruna I could do work which I had not been able to do in three years. My friends say they never saw such a change in a woman. I work hard every day now and it doesn't seem to hurt me, either. Feruna did it all. 1 talk to everyone about Peruna, 1 can not say too much for it. When I wrote you I had given up all hope of ever being strong again. Peruna has given me health and strength that no doctor ever did for me. Peruna is the best & medicine that was ever made for women. My husband says it is the cheapest doctor he can get."-Mrs. A. E.

This is the same old story told by a thousand women in a thousand different ways. Female trouble; doctors fall to cure; Peruna, as a last resort, a happy relief from a dreary servitude to sches, pains and a complication of physical anguish that can never be described.

These women all tell the same story, Paius all gone. Dragging sensations gone. Quivers and throbbings and tremblings and dizziness and nausoa and vigor and vivacity, health and hope
